

REMARKS/ARGUMENTS

- Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment the Abstract is amended to be in more proper format under United States practice.

Further, claims 1-15 are canceled without prejudice and new claims 16-30 are presented for examination. New claims 16-30 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter. Further, new claims 16-30 are not believed to be more narrow in scope in any aspect in comparison with canceled claims 1-15.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
